YouTube	Founded in February 2005, YouTube allows billions of people to discover, watch and share originally-created videos. YouTube provides a forum for people to connect, inform, and inspire others across the globe and acts as a distribution platform for original content creators and advertisers large and small.	<a href="http://www.youtube.com">http://www.youtube.com</a>  Getting Started <a href="https://support.google.com/youtube/answer/3309389/">https://support.google.com/youtube/answer/3309389/</a>
TED	TED is a platform for ideas worth spreading. Started in 1984 as a conference where technology, entertainment and design converged, TED today shares ideas from a broad spectrum – from science to business to global issues – in more than 100 languages.	<a href="https://www.ted.com">https://www.ted.com</a>  Help <a href="https://support.ted.com/customer/portal/topics/45643-frequently-asked-questions/articles">https://support.ted.com/customer/portal/topics/45643-frequently-asked-questions/articles</a>
GoodReads	Goodreads is the world's largest site for readers and book recommendations. Our mission is to help people find and share books they love. Goodreads launched in January 2007. See what other people are reading, track the books you have read, read recommendations, and more...	<a href="https://www.goodreads.com">https://www.goodreads.com</a>

Feedly	Feedly is the better way to organize, read and share the content of your favorite sites. All in one place. Organize your favorite blogs, news sites, podcasts and Youtube channels and access them all in one place.	<a href="http://feedly.com">feedly.com</a>
Pinterest	Pinterest is a tool for collecting and organizing things you love. Pins are like bookmarks. Whenever you find something on the web that you want to keep, add it to Pinterest. Collect Pins on boards. Boards are where you organize your Pins, and you get to decide what they're all about. Follow people and boards to get their latest Pins delivered to your home feed.	<a href="http://www.pinterest.com">http://www.pinterest.com</a>
Scoop It	Scoop.it lets you share ideas that matter and shine on the Web through beautiful topic pages. Collect relevant content and add your insight to attract an avid audience. As a social media and content curation publishing platform, Scoop.it gives you an effective and efficient way to build your Online presence.	<a href="http://www.scoop.it">http://www.scoop.it</a>
